

# The GLOBE Program

*Global Learning and Observations to Benefit the Environment  
An International Environmental Science and Education Partnership*

Congratulations GLOBE Graduate!

We are excited to extend an invitation for you to join the Europe and Eurasia International GLOBE Alumni Organization. After nearly 14 successful years of the GLOBE Program, many participants of the program have moved on to higher education or are now working professionals and have been disconnected from the program. This organization hopes to build a network of those who still would like to contribute to GLOBE and in addition to create initiatives on a country, regional, and international level to continue to support GLOBE teachers and students.

The Vision of GLOBE Alumni states that: *“The GLOBE Alumni Organization is a corps of volunteers dedicated to serving the GLOBE Program. The Alumni support and assist Country Coordinators, Partners, teachers, students, and communities in their implementation and expansion of GLOBE and contribute to the sustainability of the Program.”*

By creating this organization within the GLOBE community, Alumni will have the opportunity to establish networks of friends, business colleagues, and others that share a common interest through events, research collaboration, and projects set forth by Alumni and the GLOBE Program. Levels of involvement can vary from one to many activities depending on the Alumni’s availability, flexibility, and willingness to volunteer. Furthermore, using communication and networking technologies that are currently available will allow for steady communication among alumni communities.

We thank you for your time and hope that you will take advantage of this amazing opportunity to become apart of the GLOBE Alumni Organization and contribute to the success of the GLOBE Program as it moves into the next generation of students, teachers, and opportunities. Please feel free to contact us at anytime if you are interested or have questions about GLOBE Alumni.

Sincerely,

The GLOBE Alumni of Europe and Eurasia
