Tracy Ostrom	So students all get a reserach badge, but it may be rated as a one up to 4? Will I see chat from other participants? Can I download this presentation after the presentation?
Sheryl McCoy	
Tracy Ostrom	Should poster be narrated?
Snjezana Stefanic	can we download ppt?
Snjezana Stefanic	thx

Svetlana Darche	The poster template is available, yes? Wasn't sure if that is what you meant.
Vicky Gorman	Do we have to participate in the United State Regional Fairs before we can enter
Matt Silberglitt	the International Fair?
David Bydlowski	im talking
Chairperson	Cant really hear very well

Vicky Gorman	Can you move back closer to the mic again? You are getting quieter again
David Bydlowski	Can more than one student do the same project, but produce a different
Vicky Gorman	presentation?
David Bydlowski	Just to review -- does the class have to have a GLOBE registered teacher? does
Vicky Gorman	the project require GLOBE protocols?
Vicky Gorman	This is linked to my last question.
David Bydlowski	Oh, OK, so is there a limit as to how many students can work on a project
Chairperson	together and produce a single presentation.
Tracy Ostrom	Great! Thanks!
Chairperson	Sounds good. I thought I heard that we want "everyone" to participate in the
Tracy Ostrom	Virtual Science Fair, but really it must be GLOBE focused. Correct?
Tracy Ostrom	Super quiet again
Snjezana Stefanic	how will students respond to judges questions?
	Great question, Tracy! Matt will cover that in a couple of slides

GLOBE Community Support Team - Roller Welcome

Snjezana Stefanic

It will be better to use adobe connect or other than conference call...

Chairperson

I wish we could! I have used it in the past and it has been useful, but this is what we have now. I'll pass along your feedback.

Snjezana Stefanic

Yes, please. It was hard to hear you, we can not click at the links,.

Chairperson

Thank you, Achim!

Snjezana Stefanic

and we can not see messages from the others

Chairperson

Thank you for the feedback! I agree, but it will be beneficial to come from a GLOBE community member.
