

GLOBE Song

GLOBE! We're from all the nations
GLOBE! Doing investigations
GLOBE! Water, soil and air
GLOBE! We measure and compare
To save the GLOBE!
And give us HOPE!
Yes that is GLOBE!

GLOBE! We're looking for the facts
GLOBE! To share them with our contacts
GLOBE! Gonna make sure to day
GLOBE! This world will be ok
Let's save the GLOBE!
And give them HOPE!
Yes that is GLOBE!
