Using a systems approach to understand carbon, part of the Earth's climate system

PROGRAM AGENDA CORRECTION

* We are unable to offer a Friday afternoon workshop.

The Carbon Cycle Workshop has three parts.

Part 1: Carbon Storage learning activities protocol. **Wednesday morning from 9:00-12:30.** (Insight Room)

Part 2: Carbon storage data analysis, global carbon cycle learning activities, systems thinking in the classroom. **Friday morning from 9:00-11:30.** (Juniper Room)

Part 3: Follow-up webinar about our Carbon Cycle Computer Models. Date to be announced based on interested participants.

THE **GLOBE** PROGRAM

Tuesday - Engaging

Tuesday, 19 July

**GLOBE Community
Input**

09:00 – 17:00

& Posters

09:00	Overview of the Events for the Day
09:15	Community Input on the Future of The GLOBE Program
11:00	GLOBE Technology Refresh
12:00	Lunch and Exhibits
13:30	Update on Student Climate Research Campaign (SCRC) (concurrent sessions)
18:30	Poster Presentation Session II
20:30	Poster Presentation Session II End
