

GLOBE friends,

For the past year the Evaluation Working Group has been focussing on GLOBE Alumni. We created this survey to reach out to Alumni in all GLOBE regions.

Recognizing that the Alumni are an extremely important group for the Program, we would like to get your feedback in order help develop a mechanism to keep this group engaged and involved in GLOBE.

Thank you for considering taking this survey and please get in touch with us for any ideas, or questions you may have.
