

# **REGIONAL MEETING FOR GLOBE AFRICA YAOUNDE, CAMEROON 29 April-3 May 2024**

1

# GOOD MORNING!

2

# **PROGRAM IMPLEMENTATION, INTERNATIONAL COOPERATION IN GLOBE NETWORK, AND ACTIVITIES OVER PAST YEAR**

3

# EDUCATION:

- Materials provided by AFD to improve scientific education at the level of 20 GLOBE schools
  - Used for GLOBE data collect
  - Improve science teaching.
  - We have organized training session for GLOBE teachers in manipulating these materials.

# SCIENCE:

- Extension of the collaboration with the University of Antananarivo in promoting the protection of our forest in developing land cover study,
  - Collaboration in progress.

# COMMUNITY

6

- Participation in regional and international meetings and events for exchange of good practices for the implementation of GLOBE Program.
- Collaboration with CI (Conservation International) to develop the project about Lemur protecting.

# TECHNOLOGY:

- ▶ Training session for some students in using GLOBE Observer.

## COMMUNICATIONS:

- Many of our teachers don't have a habit to use Internet to communicate each other and to navigate GLOBE site.
  - So, we plan to develop this point soon.

# PLANS AND IDEAS FOR THIS YEAR:

9

# EDUCATION:

10

- Finalizing the integration of the GLOBE elements into the national curriculum as the GLOBE protocols complement each other with the Malagasy State's effort to promote the teaching of science.
  - In this case, we are working closely with the relevant entities.

# SCIENCE:

- Developing land cover study and climate change study with the University of Antananarivo.

# COMMUNITY :

- Increase our visibility by more participating in international and national events

# TECHNOLOGY:

- ➔ Continuing to increase of data sent

# COMMUNICATIONS:

- We plan to visit in site more GLOBE schools because according to the information from some schools,
  - many of our trained teachers are not in service anymore (affectation to other schools, retiring...)

# Thank you for your attention!
