What We Did in 2021

- Virtual Workshop (1): July 2 to 3
- Virtual Workshop (2): August 23
- Mid-Report Assessment: September 6 to 8
- Final Report Assessment: October 16 to 17
- Virtual Fair in Metaverse: October 30 to 31
Problems & Challenges

• Lack of Financial Support since 2021
  - Trying to restore financial support in the future

• Encourage teachers and students to take part in the GLOBE programs more than last year’s

• Improve the quality of reports for each projects
