Program Implementation, International Cooperation in GLOBE Network, and Activities over Past Year (categorized by GLOBE Strategic Plan 2018-2023 Goals):

1. Education

Introducing GLOBE to biology, chemistry and geography teacher students by using GLOBE materials and apps. Some materials of the European Phenology campaign have been translated into Finnish and shared with the schools participating the campaign. Three teacher training schools practiced utilization of materials with students.

2. Science

3. Community

4. Technology

5. Communications

Plans and Ideas for Next Year: We continue to translate some GLOBE materials into Finnish. Three schools will pilot the European Phenology Campaign next spring with students. We hope that with their experiences we can get more schools to join the campaign autumn 2023.
