VISSION

GLOBE EVA is a group of people whose common goal is success of GLOBE Program in Europe.

The Association will support the existing GLOBE structures (school network, CCs, trainers) on voluntary basis.

GLOBE EVA is to be a network consisting of individuals having years of experience in implementing GLOBE who would like to remain active, even if at present they are not in Program's structures.

.

Who can participate?

- experienced retired teachers
- experienced former CCs and assistant CCs
- other experienced people with GLOBE background (such as trainers, scientists), who are willing to keep active with GLOBE in future.

Question?

As a rule, these people have many advantages that may prove priceless when working for GLOBE Program:

- practical knowledge, life experience and professional competences gained through the years
- social skills, contacts established and maintained through the years, that can be used for GLOBE
- strong motivation to benefit the GLOBE Program

OBJECTIVES, GOALS - CELE

- educational, advisory and consulting activities to the community
- developing and translating educational and information materials
- help in developing the GLOBE Program evaluation

- Conducting information and publishing activities; supporting ideas and initiatives promoting the GLOBE website, etc.,
- Initiatives for the GLOBE Program Creating, implementing, monitoring projects, evaluation
- Creation, translation and dissemination of educational and information materials
- Creating a platform for exchanging experiences (eg, keeping an information and consultation point, conducting regular duty rosters)

for the member - Conducting members integrating activities

- Keep active communication between EVA members
- Periodic informational and educational meetings for sharing of best practice
- Participation in conferences and meetings

TROUBLES

- problem is the language for international communication and
- the fact that sometimes retired teachers are not familiar or friendly with new technology
- sometimes obstacle for veterans is the use of communication technology
- ...

START QUESTIONS

- Who can participate who can not?
- For whom the organization works?
- How to participate?
- What are our goals?
- What actions can we take?
- Why join?

TROUBLES tabelka

- Establishing of the informal group is aimed at using mentor's potential experience, knowledge and skills to support activities of the schools involved with the Program.
- The purpose of this group would be to enhance the GLOBE community at local, national and international level.
- The activities will involve substantive and organizational support of the training and resource enhancement (translations, developing learning materials)
- as well as promoting GLOBE idea (communication to media, posting on websites and social media) and will be always implemented in agreement with the CCs, RCO and European Board.
- Within this group consulting activities will be taking place.
- Members of the group will have the opportunity to share their own experience and ideas.
