TEACHERS AND EDUCATORS
IN SCHOOLS AND
KINDERGARTENS

WE ARE CURIOUS!

- What does the Elementary GLOBE look like in your country?
- What resources could be used in the implementation of the Elementary GLOBE?
- Are there GLOBE kindergartens and elementary schools to collaborate with?

OUR PROJECT

- Archive of resources useful for the implementation of Elementary GLOBE.
- A network of schools and kindergartens that implement GLOBE activities.
- A GLOBE Program Learning community by collaboration and peer-mentor opportunities for all the participants in the educational system.
