Implemented by:

Europe and Eurasia RCO priorities 2020/2021

- **Strengthen school collaboration across the region**
 - [Phenology Campaign](#) Collaboration Group and Discussion forum
 - Virtual opportunities for schools to meet – webinars focused on sharing good practice
 - Support topics that were identified by CCs as attractive for collaborations (trees, air quality, microplastics etc.)

- **Water Bodies Collaboration**
 - Student videos and StoryMaps
 - online Water Bodies Show
- **Environmental awareness and action aspect of GLOBE**
 - Reflected in Water Bodies
 - Session GLOBE Benefits the Environment - tomorrow
- **How to communicate GLOBE**
 - Earth Day webinar with environmental journalist
 - Promotion of GLOBE vloggers videos

- **Keep in contact with CCs and DCCs**

- Regular zoom meetings
- 2021 plans Padlet

- **Assist with trainings and attend national online events**

- Thank you for organizing trainings and events for schools even in online setting and for inviting us to attend

- **Develop strong Trainers and Mentor Trainers community**

- communication of the new certification proces and assistance with the T/MT applications

- **Assist countries to start with the program or to re-engage schools for GLOBE**
 - Onboarding calls & activity planning
 - Equipment & tools support
 - Consultations and trainings for GLOBE organizing team in the country
 - Assisting with organizing initial teacher trainings
- **2021 Regional Meeting**
- **Capacity Building Projects**
