

Weather and Traffic Observation Chart

***Take your measurements twice per week during the 4-week Air Quality monitoring period*

Week	Date and Time	Rainfall (mm)	Wind Direction	Wind Speed (km/hr)	Cloud Cover %	Cloud Types	Traffic Count nr/cars in 5 min	Idling Cars nr/cars in 5 min
Example	27.9 11:30	2	South West	10	10-25 (isolated)	Cumulus	40	12
Wk 1 Day 1								
Wk 1 Day 2								
Wk 2 Day 3								
Wk 2 Day 4								
Wk 3 Day 5								
Wk 3 Day 6								
Wk 4 Day 7								
Wk 4 Day 8								

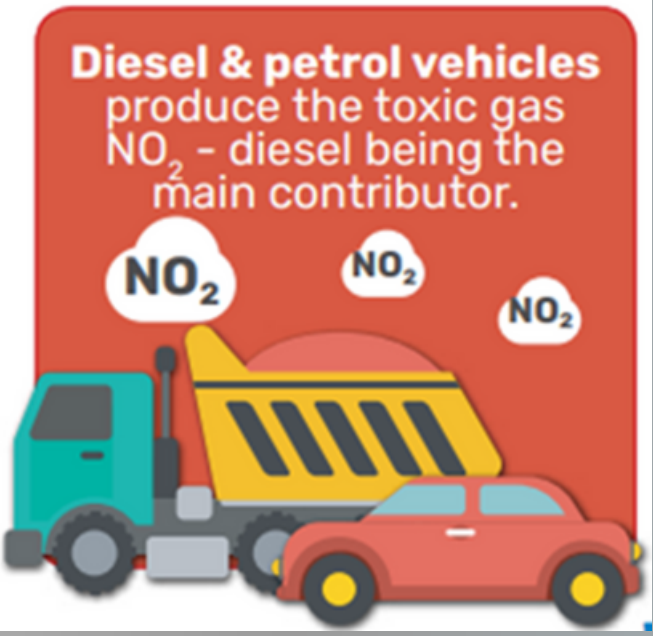

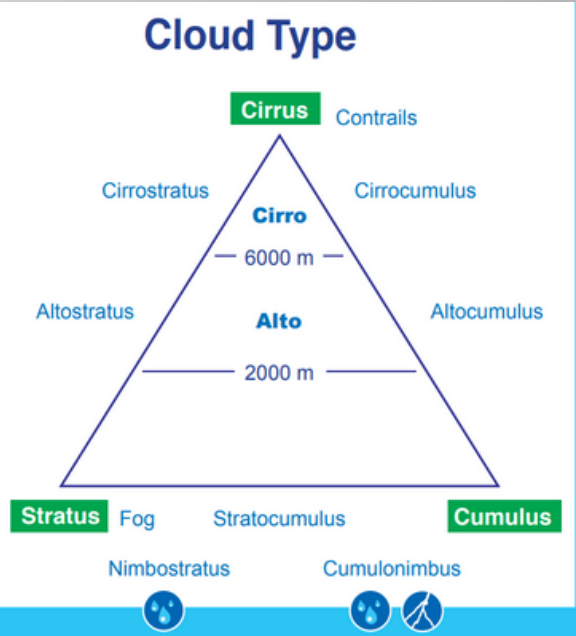

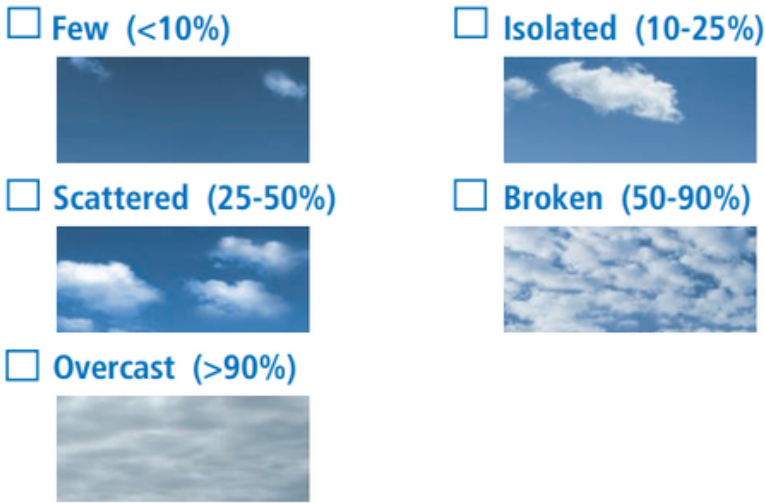

Monitoring Weather

If you don't have a weather station at school, you can use the following sites to gather weather observations:

Met Eireann <https://www.met.ie/>
Weather Observations (WOW) <https://wow.met.ie/>

The GLOBE Visualization Site has weather observations for Dublin (Fingal Area)
<https://www.globe.gov/globe-data/visualize-and-retrieve-data>
