How familiar were you with Sensors BEFORE this presentation? (13 responses)

How familiar are you with Sensors AFTER this presentation? (13 responses)

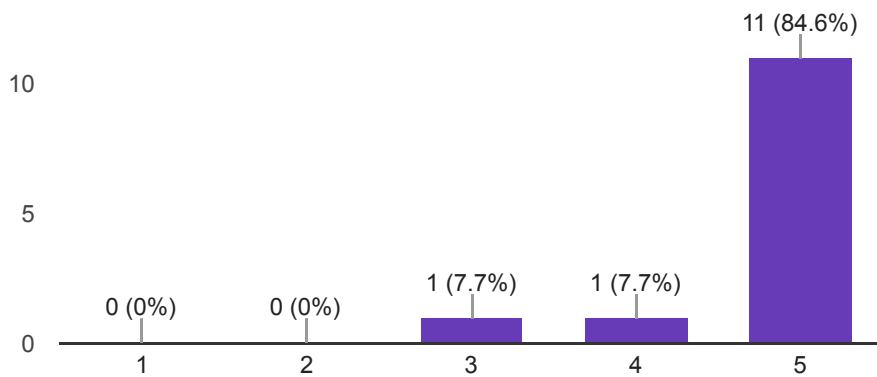

### How interested are you in using Sensors in the classroom? (13 responses)

### How likely are you to encourage your students to use Sensors for educational opportunities?

(13 responses)

### Comments: (5 responses)

Kites would be great! I will be giving this information to our robotics programs.

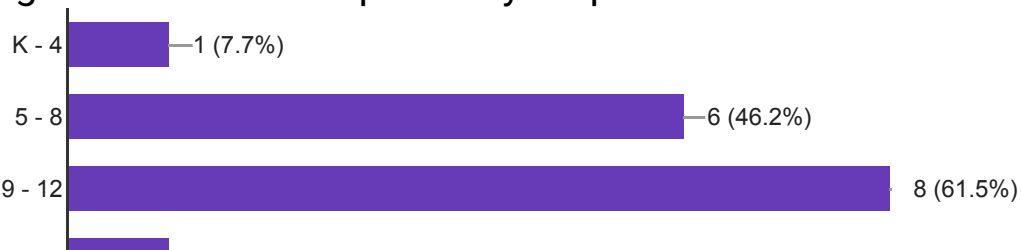

Want to learn even more.

You really inspired me with your enthusiasm! I have some new ideas that I'm excited about!

Very interesting. Great resource for my class.

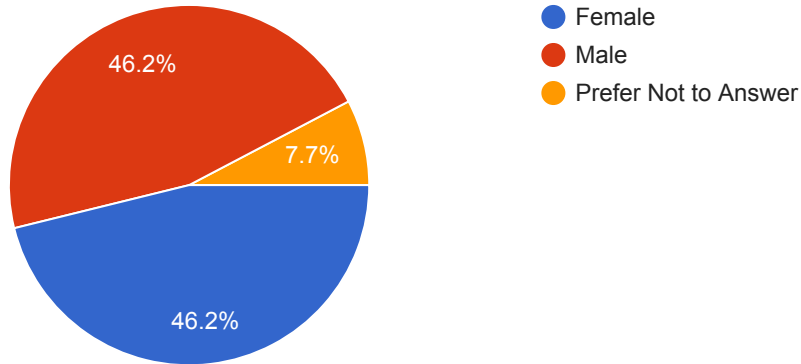

Next time start out with a basic explanation of some of the tech. It took me a google search to figure out Raspberry Pi was not a dessert treat.

### What grade levels best represent your professional interests? (13 responses)
