

N.C. Environmental Education Certification Program

EE Form

EDUCATOR EXPERIENCE FORM

Name: _____

Only one experience per form, with a 10-hour maximum of credit for any one experience. Questions? Email eecertificationnc@lists.ncmail.net or call 919-707-8124 or 8125.

Indicate hours in one of the following criteria:

I 10 Hours Criteria I, Instructional Workshop Basics of EE, Methods of Teaching EE or an approved Criteria I elective. See www.eenorthcarolina.org for the approved list. You must have a total 70 hours (which must include Basics and Methods) in this criteria.

II Hours Criteria II, Outdoor Experience. Programs, workshops, classes, etc. held actively outside (at least 60%) and led by a qualified instructor. 50 hours are required in this criteria.

III Hours Criteria III, Knowledge of Resources. EE-related seminars, conferences, lectures, programs, etc. Can be held indoors, outdoors or as webinars if they relate directly to EE. You must have 20 Knowledge of Resource hours in Criteria III.

Criteria III, Site Visit. If this is a site visit, indicate hours by the appropriate region below. A site visit consists of a visit to a recognized N.C. Environmental Education Center and should involve activities such as viewing educational exhibits, exploring interpretive trails or gardens and speaking with educational staff. You must have a total of 10 site visit hours in Criteria III. Five of those hours must be outside of your home region and the remaining five can be in your home region.

 Coastal Hours Piedmont Hours Mountain Hours

 Continuing Education Credit. CE credits are only for individuals already EE certified. CE credits can be Criteria I or II activities and can also be EE-related instructor-led seminars, lectures, webinars or conference sessions. Site visits to EE Centers, passive tours, and teaching or volunteer hours cannot be used for CE credit. 50 hours of CE credits are required every 5 years.
