

Simon, Anita, and Dennis are drawing, photographing,  
and taking notes about the color of the sky at sunset.

Color the sky to show how you think it looks at sunset.

To find out what they learn about air quality and sky color,  
read the storybook,  
*What's Up in the Atmosphere? Exploring Colors in the Sky.*

Download it for free at the Elementary GLOBE website.  
[www.globe.gov/elementaryglobe](http://www.globe.gov/elementaryglobe)

Elementary GLOBE is developed at UCAR with support from NASA.
