

Dear GLOBE Country Coordinators,

we would like to invite you, students and teachers from your country to:

GLOBE Games 2015 **28th – 31st May 2015, Prague**

About GLOBE Games

The GLOBE Games are organized by TEREZA Association annually as a part of GLOBE Program in the Czech Republic since 1998. It is a meeting of environmentally oriented students, teachers, scientists and special guests from both the Czech Republic and other countries. It is a unique opportunity to meet face to face, gain new experience and knowledge, initiate school to school collaborations and take part in special environmental challenges involving many of the GLOBE protocols. We would like to invite from up to 6 students and 1 or 2 teachers from each country.

GLOBE Games main goals:

- What is GLOBE about? What does it mean to do GLOBE?
- Promotion of activities of participating schools
- Meeting and interconnection of the GLOBE community
- Sharing of the year's work and personal experience
- Motivation of students and teachers to enjoy the work at GLOBE and do it well
- Inspiration – trying new things, inspiration by sharing
- Celebration
